OUR FALL SPECIALS

Spiced Mocha Facial

\$99

This facial is packed with antioxidants, defying agents, and ingredients that will rejuvenate the skin. The exfoliation properties will satisfy your senses with sweet aroma of chocolate that will leave your skin glowing. Finish with a spice pumpkin mask that has natural digestive enzymes to help remove buildup and leave a polished glow.

Oxygenating S'mores Facial

\$165

This facial starts with our signature cocoa enzyme mask, including your senses with sweet aroma of chocolate while exfoliating the skin with natural papaya and bromelain. The oxygen treatment will boost circulation and stimulate cell turnover. This facial finishes with our marshmallow mask that will transform the skin, resulting in overall health and hydration.

Fall Lash Refresh

Korean Lash Lift

\$85

The Korean technique lifts lashes closer to the root rather than relying on a strong curl, creating a soft, elongated effect that can make the lashes appear longer and the eyes more open. The service uses a gentler, more controlled process with conditioning ingredients to help protect and nourish the lashes throughout the treatment.

Starting Fall Smooth!

Brazilian Wax

\$85

Our Brazilian Wax removes unwanted hair while keeping your comfort and skin health in mind. We use professional waxing techniques paired with Bushbalm skincare to help soothe the skin and support smoother, healthier-looking results between appointments. All bodies and genders are welcome.
